LEE FOLKARD - HEAD OF MACCLESFIELD FC COMMUNITY SPORTS TRUST

Another year done, and 2024 was a massive challenge for the Community Sports Trust.

With the Football Club missing out on promotion on the last day of the season, it meant Plan B for us as we worked without any funding support from the 3 main football trusts again unfortunately.

However, myself and the team have worked extremely hard to make sure that our community delivery has not only continued but extended over the last 12 months and again our business stability is secure due to success in applying for some local funding and new partnerships created locally.

I am so proud of the team and what we have achieved in such challenging times, not just for our local community here in Macclesfield & Cheshire East but for the entire country with many cuts to funding and the rise in our weekly household bills.

We are going from strength to strength with our delivery programme, which has again surpassed expectations with the numbers of participants that we have been able to connect with and support this year, which is testament to the programme we have put together.

As I have said previously the base of activities inherited in 2021 was a sound starting point, now we have more than tripled those activities with a comprehensive programme of community support.

The community menu is something that is continually being adapted and I am extremely proud of, and with new plans on the horizon for 2025, again we will be looking to grow even further.

The team are just the best, the commitment to delivery and making sure that every session and programme we run is to the highest of standards means that our success is down to them. They are extremely hardworking for such a small team and deserve all the congratulations and recognition that we have been receiving over the last 3 years with various nominations for awards and also winning the Mayor Of Macclesfield PRIDE OF MACCLESFIELD award for community engagement.

We would not be able to do the amazing things we do without the support and dedication of others. So, a big thanks must go to our Board of trustees (who continually support myself and the team with everything we do) our partners at AstraZeneca, Adelphi, Cheshire East Council, Macclesfield Town Council and all our partner schools and care facilities across our area.

And of course, a big thanks to the Football Club, who we continually help and support me to achieve the very best for our community. Fingers crossed that 2025 will bring promotion to the National League North.

Thank you everyone – here's to another positive year in 2025.

This means that we have engaged with over 1600 students over the last 3 years of delivery

FEEDBACK

The children really loved the community team science programme; it was a great change for them to have someone else teach them something educational and the team really made the sessions fun and informative. Thank you'

Mrs Bradley Whirley Primary School

'The sessions have been a really great addition to our programme this year, The Community Trust Team have adapted the programme to help our Year 7 & 8 Students who have struggled to readapt to learning practices after the Covid 19 pandemic in certain subjects and this has been a real positive for the students'

EDUCATION

BLUE ZONE & PE SUPPORT

Over the last 12 months we have more than tripled our daily delivery in our partner schools, offering support in a range of different ways.

Our FIT FOR 15 programme (where all students from all classes get physically active at lunchtime for 15 minutes) has now extended to 5 local schools

The above and also our PE support package for our local schools is more than just in school time football. Our CST Team are qualified in a range of different sports, which allows us to help in many more ways than before.

This year we have had major success in delivering Lacrosse, Hockey, Basketball & Multisport sessions across our Partner schools – these new packages has opened many new opportunities for the CST

AFTER SCHOOL SESSIONS

Our After School provision has extended rapidly over the last 3 Years.

WE NOW DELIVER AT LEAST 2 AFTER SCHOOL CLUBS PER DAY IN TERM TIME IN A RANGE OF DIFFERENT SPORTS.

As our tag line suggests, it's not just football that we do – with Multisports, Lacrosse, Rugby and of course a bit of football

We are particularly proud of our Girls ONLY sessions over the last year, which have been extremely popular.

This has been a positive form of finance for the CST, with the money generated into the business more than doubling over the last school year. Be this via parents or schools paying for the sessions.

All after school clubs and are open for all age groups from Key stage 1 upwards and are on average 1 hour in duration.

We are averaging approximately 25 children per after school session.

STREETBLUEZ & STREETSPO RTS

Our STREETBLUEZ & STREETSPO RTS youth engagement programme was previously funded via the Premier League (Previously known as Premier league Kicks)

Although losing the funding of over £80,000 and support from the Premier league due to the new Football Clubs stature in the football pyramid, we have continued to deliver the programme and gain funding elsewhere so that we can still create a safe environment for football in the area.

Over the last 12 months we have created a partnership with Macclesfield Town Council to support the funding for STREETSPO RTS in which we deliver a daily FREE multisports session in various Parks across Macclesfield .

OVER THE DURATION OF STREET SPORTS, SINCE APRIL 2024, WE HAVE ENGAGED WITH OVER 700 PARTICIPANTS WITH STREETBLUEZ ATTRACTING AN AVERAGE 30 PER SESSION.

CARE HOME & SUPPORTED HOUSING SUPPORT

Our support packages for local Care Homes and Supported Housing networks across Cheshire East now takes up over 35% of our weekly delivery schedule.

We are now active in 16 local Care Facilities and Supported housing networks within Cheshire East on a weekly basis.

These sessions are fun and active which help to trigger stimulus within the participants as well as conversation with others.

In linking in with these facilities and using the Sporting memories Network and Dementia Friends training we create different activities that are tailor made for each group of participants.

We have also been successful with gaining funding from Cheshire East Council this year to sustain & grow these sessions for 2025

WALKING FOOTBALL FC

In December 2021 we received a small grant from Cheshire FA begin Walking Football sessions locally – with the aim of generating a squad of participants 50+ who still wanted to play football at a slower pace.

The sessions have been a tremendous success and by March 2022 the group were playing in their first ever affiliated competition.

As the weekly sessions go from strength to strength and numbers extend, this has seen the team play in a number of friendlies and other local competitions as well as playing games at the Leasing.com stadium.

The group are currently playing within the CHESHIRE FA Walking Football League quarterly.

PRESCHOOL & NURSERY

We have a range of different multi sports options that we can deliver within nurseries & pre-school environment.

We currently deliver in a range of Preschool/Nursery sites across Cheshire East with all these sessions being bespoke to the needs of each location

They are mainly based around handling, movement, identification, personal & physical development and of course having fun with a range of equipment. Again, for this year we have extended these sessions and now have 6 external nurseries & pre-schools we deliver in both in term and out of term time.

HALF TERM MULTISPORTS

WOW, what an amazing year we have had regarding our new and improved Half Term Camps.

Our camps have been stationed all over Macclesfield & Cheshire East – from Macclesfield to Holmes Chapel and also Wilmslow.

We have extended the hours of the camps over a key time for parents regarding support during the toughest of times.

We have averaged over the last 12 months 40+ children per day on camp – which is a phenomenal achievement.

Again, this has provided much needed sustainable income for the trust

We plan to go bigger, better and have more fun and games in 2025 ☺

DISABILITY SUPPORT SESSIONS

With a little financial help from Cheshire FA and the Barclays Community Fund via Sported – the community trust have been running pan disability sessions .

We are currently running weekly sessions for a range of age groups to try and engage our disability community into football and in the future participate in the Ability Counts Football League.

We have also extended our disability provision in local SEN schools such as Park Lane, in which we do 2 weekly physical engagement sessions.

We have also been running quarterly sessions for Space4autism and Friends for Leisure which will continue in the autumn.

For 2025 we are working with a local group of deaf football participants to start a new deaf football team and we are currently one of the Tesco Stronger Starts Grants locally

PRIMARY SCHOOL COMMUNITY CUP

In early 2022 after lengthy discussions with the Cheshire School Sports Partnership, the MFCCST Community Cup was born.

With no continual primary school provision around the area, especially for girls, we created a 5 week termly competition for years 2 to 6.

Our local schools have embraced our idea, with between 12 to 20 teams (maximum over 200 students) per week coming to the Leasing.com Stadium to compete to be Community Champions.

We are looking at extending this to secondary schools in 2025 as well as continuing with our 5 weeks of competition for year 2 upwards.

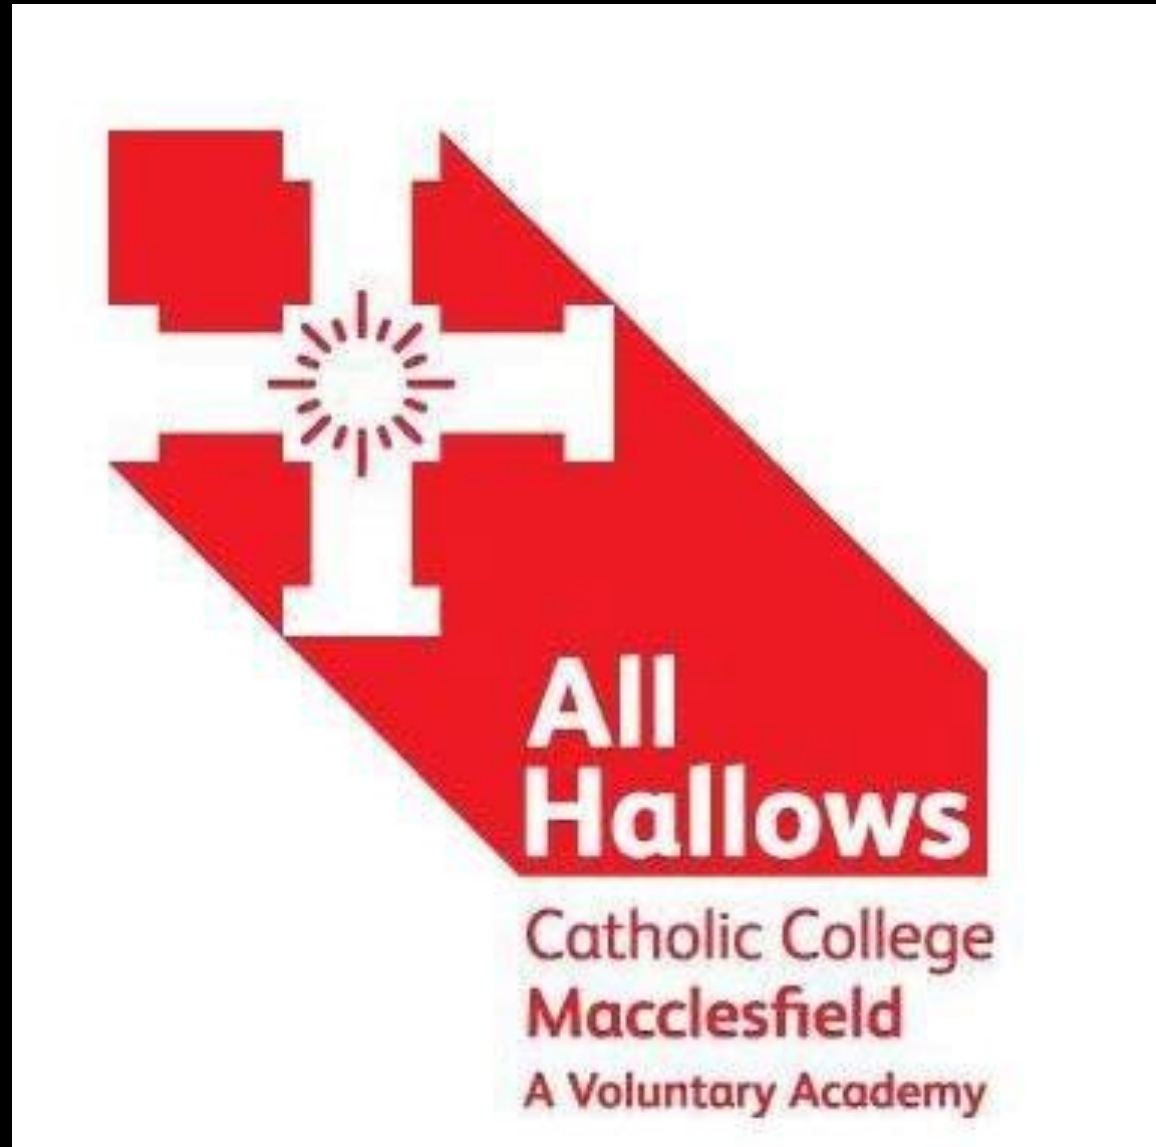

SECONDARY SCHOOL PROVISION

MFA ALL HALLOWS 6TH FORM TEAM

Our partnership with All Hallows Catholic School in Macclesfield has continued to be a mainstay of our delivery programme this year.

We have had a successful season with the year 12 and 13 students and have created a positive impact for a range of students whilst representing the school in the Northwest Colleges League Weekly vs other schools & 6th form colleges.

The team performed positively all season and reached the John Sleigh Macclesfield Cup Semi Finals and finished 3rd in the North West Colleges League.

YOUTH PROVISION & SUPPORT

- THE COMMUNITY SPORTS TRUST HAVE BEEN ENGAGING WITH VARIOUS YOUTH CENTRE'S THIS YEAR.

- OUR WEEKLY SESSIONS HAVE INCLUDED A RANGE OF MULTI FUN GAMES AND SPORTS WITH OVER 30 PARTICIPANTS PER SESSION BOTH BOYS & GIRLS

- WE WILL BE CONTINUING THESE SESSIONS IN 2025 AND WILL BE WORKING WITH NATIONAL ORGANISATION THE YOUTH FEDERATION ON A NEW 'EXCITING' PROJECT FOR THE AREA 😊

MAN V FAT : MEN'S HEALTH SESSIONS

At the start of 2022, we linked up with national charity Man v Fat to start the first weight loss & social football session for men in Cheshire East – since that point we have engaged and supported over 100 male participants.

It's been an amazing success with the group losing over 500kg during the 24 months.

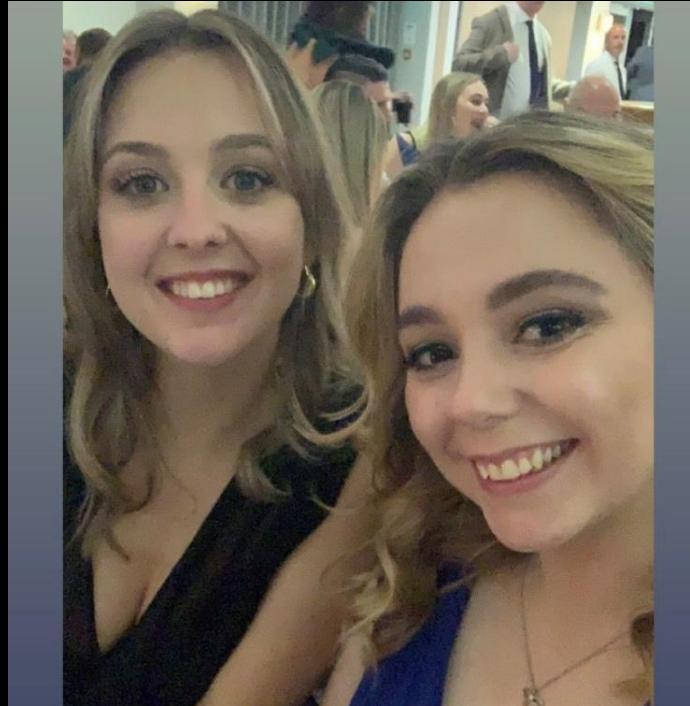

2025 will see the group extend to a second Session within the Cheshire East Area with negotiations ongoing with Poynton Town Council for a January 2025 start

CHARITY BALL 2024

In July 2024 we had our 3rd Charity Ball event – this year at the iconic Assembly Rooms within Macclesfield Town Hall.

The CST have NEVER put on such events in our history, however, have had great success over the 3 events to gain much needed sustainable finance for the trust.

The events including the previous September 2021 & June 2022 have raised over £17,000 for the charity via ticket sales, auctions and fun games run by the team.

CST MATCHDAY EXPERIENCE

- OUR MATCHDAY EXPERIENCE PACKAGE HAS EXTENDED OVER THE LAST 12 MONTHS TO INCORPORATE MORE FUN ACTIVITIES FOR THE YOUNGER FANS IN THE LOCAL COMMUNITY.
- WE HAVE PROMOTED THE OFFER WITH LOCAL CLUBS, TEAMS AND SCHOOLS AND CREATED AN AMAZING EXPERIENCE FOR A NEW YOUNG MACCLESFIELD FC FANBASE TO ENJOY.

- THIS INCLUDES FUN FOOTBALL GAMES ON THE PITCH PRE - GAME WITH OUR CST TEAM, MEETING THE FIRST TEAM, WALKING OUT WITH THE 2 TEAMS WITH OUR MACCLESFIELD FC FLAGS AND THEN WATCHING THE GAME WITH FAMILY AND FRIENDS (WITH ADDITIONAL ACCESS TO BAR 27).

FOODBANK IN PARTNERSHIP WITH CRE8 & SILK LIFE FOODBANK

WITHIN THE LAST 2 YEARS WE HAVE CREATED A PARTNERSHIP WITH SILK LIFE FOODBANK & CRE8 TO SUPPORT OUR LOCAL COMMUNITY AT THE TOUGHEST OF TIMES.

THE MATCHDAY FOODBANK HAS BEEN A GREAT SUCCESS WITH OUR FANTASTIC FANS, PLAYERS, STAFF, VOLUNTEERS AT THE CLUB AND LOCAL COMMUNITY DONATING OVER 500KG OF FOOD AND OVER £2500 VIA CARD DONATIONS.

WE ARE CONTINUING WITH THIS GREAT INITIATIVE OVER THE COURSE OF THE NORTHERN PREMIER LEAGUE SEASON.

CHRISTMAS COLLECTION FOR MACCLESFIELD GENERAL CHILDREN'S WARD

WE HAVE BEEN EXTREMELY LUCKY TO CREATE A PARTNERSHIP WITH MACCLESFIELD GENERAL HOSPITAL OVER THE LAST 3 YEARS AND ESPECIALLY WITH THE CHILDREN'S WARD UNIT.

THE MONTH BEFORE CHRISTMAS, WE ANNOUNCE THE PARTNERSHIP & ONLINE PLATFORM FOR DONATIONS TO HELP US GIVE PRESENTS AND GIFTS TO THE CHILDREN WHO WILL NOT SPENDING CHRISTMAS AT HOME THIS YEAR.
